

CAPABILITY STATEMENT

East Coast Provider Services, LLC (ECPS) is a provider of Professional, Allied Healthcare Services and Products. ECPS's corporate office located, in Charlotte, N.C. has been in business since 2022 and focuses on providing Human Resource Consulting, Medical Personnel Placement Services (Physician, Scientific, and Allied Health), Administrative Management, and Health IT Services throughout the USA and US Territories. We have tailored our infrastructure, processes, recruiting and staffing capabilities to consistently deliver quality services thus ensuring satisfied clients. Our personnel has 25 + years of combined experience supporting public-health related medical activities for civilian, local, state and federal government customers.

We stand capable and ready to provide qualified Physician and Allied Health professionals in all regions, including the most remote locations. We are experienced in supporting a vast array of Medical Specialties, including Primary /Urgent Care Medicine, Surgery, Behavioral Health, Addiction Disorders, Dental Care, Women's Health, and Nursing-Inpatient/Outpatient/Ambulatory to name just a few.

The ECPS's database is replete with professionals available immediately and the internal staff at ECPS stands ready to provide healthcare professionals, services and products. You provide the need, we supply the provider and or products.

Our goal is to provide staff that will be cohesive and long-term contributors to your overall healthcare provision goals. They are prepared to stay for long periods of time in even the remotest areas. ECPS providers have not only skill but heart, compassion, and a desire to serve the patient population it services.
